5.5 Effect of Termination. Upon termination of the Agreement, access to and use of the Hosted Programs and all Services shall be terminated. Termination of the Agreement shall not (i) relieve any party from any liability that may have arisen prior to such termination, nor shall such termination (other than for termination by Client under Section 5.2 or 5.3 above, or termination by AdvancedMD under Section 5.4B above) relieve Client of its obligation to pay all fees that have accrued or are otherwise owed by Client under the Agreement, and any unpaid fees related to the initial term or any renewal term; and (ii) limit either party from pursuing other remedies available to it, including injunctive relief. C. AdvancedMD shall have no liability under this Section 6.1 to the extent a Claim is attributable to (i) combination or use of the Hosted Programs with any item, component, product, material, software or process not provided by AdvancedMD, if liability would not have arisen but for such combination or use with such item, component, product, material, software or process; (ii) use of the Hosted Programs in any way not authorized nor contemplated by the Agreement, if liability would not have arisen but for such unauthorized use; or (iii) any breach by Client of the Agreement, if liability would not have arisen but for such breach.

Changes in laws, regulations or health care industry standards (including, but not limited to, the requirement that Version 5010 and ICD-10 codes be used on all transactions covered by HIPAA), may, in the future, affect or limit AdvancedMD's ability to provide the guarantee set forth in clause (ii) of the previous sentence.

D. **Warranty for Other Services.** AdvancedMD warrants that the Support Services, the Implementation Services and any other service set forth in an Order Form(s) or Addendum agreed to by Client (excluding services contemplated by Sections 6.2.A and 6.2.B, and Third Party Services) will be performed in a manner that is consistent with generally accepted industry standards for such Service. With respect to Implementation Services, AdvancedMD does not guarantee any specific results, and the results Client may realize is primarily dependent on Client's ability to utilize and implement ideas, concepts, and practices presented in the Implementation Services. Any breach not reported to AdvancedMD by Client within thirty (30) days of its discovery will be deemed waived and accepted by Client.

E. **Disclaimers.** THE WARRANTIES SET FORTH IN THIS SECTION 6.2 ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING ANY ORAL REPRESENTATIONS OR WARRANTIES MADE BY OR ON BEHALF OF ADVANCEDMD AND THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. AdvancedMD does not warrant that the Hosted Programs or the Third Party Services will operate in the combinations that Client may select for use, that the operation of the Hosted Programs or the Third Party Services will be uninterrupted or error-free, free of viruses or any other malicious code, or fit for its intended purpose, or that all Hosted Program errors or the Third Party Services errors will be corrected. Any description of the Hosted Programs contained on AdvancedMD's website or promotional materials is for the sole purpose of identifying them, and any such description is not a part of the basis of the bargain and does not constitute a warranty or representation.

6.3 **Exclusive Remedies.** For any breach of the representations and warranties contained in Section 6.2, Client's exclusive remedy, and AdvancedMD's entire liability, shall be as follows:

A. With respect to a breach of the representation and warranty set forth in 6.2.A, AdvancedMD shall correct the error(s) that caused AdvancedMD to breach its warranty to Client.

B. With respect to a breach of the representation and warranty set forth in 6.2.B, upon verification of the error, AdvancedMD shall at its option either (i) correct the database; or (2) refund the amount paid for the data import service as specified on the Order Forms(s).

C. With respect to a breach of the representation and warranty set forth in 6.2.C, (i) in the case of Electronic Services, subject to the terms of Section 6.4, Client shall have such remedies as may be available under law; and (ii) in the case of Optum Services, AdvancedMD shall perform a root cause analysis to determine the reason for the Client's claims acceptance rate and provide reasonable training to improve Client's acceptance rate.

D. With respect to a breach of the representation and warranty set forth in 6.2.D, AdvancedMD shall re-perform the applicable Service.

6.4 **Exculpation of Certain Claims; Limitation on Liability.**

A. AdvancedMD uses unrelated third parties to provide the Third Party Services, and the availability, and accuracy of such Third Party Services is not within AdvancedMD's control. Client hereby waives any and all liability and claims which Client may have against AdvancedMD in connection with the Third Party Services, except as specifically set forth in Section 6.3, and for liability directly caused by the gross negligence or willful misconduct of AdvancedMD.

B. Client shall be liable for (and Client hereby waives any and all liability and claims which Client may have against AdvancedMD for), (i) any inaccuracy in Client Data provided by Client, (ii) the consequences of any instructions Client may give to AdvancedMD, (iii) maintaining and backing up any Client Data, and (iv) Client's failure to protect user account names and passwords. In addition, AdvancedMD is not responsible for (x) Client's access to the Internet, (y) interception or interruptions of communications through the Internet or (z) changes or losses of data through the Internet, in each case, other than to the extent caused solely by AdvancedMD.

C. In connection with use of the Hosted Programs and the Third Party Services, AdvancedMD may provide or make available to Client certain Templates. Client hereby waives any and all liability and claims which Client may have against AdvancedMD or any third party in connection with the use, modification, and/or customization of such Templates, except for liability direct caused by the gross negligence or willful misconduct of AdvancedMD. FURTHER, ADVANCEDMD IS IN NO WAY ENGAGED IN THE PRACTICE OF MEDICINE OR ACTING AS A PHYSICIAN OR OTHER HEALTH CARE PROFESSIONAL OR PROVIDER. ANY TREATMENT, THERAPY, PROCEDURE, INFORMATION, MEDICATION, PRODUCT OR OTHER INFORMATION REFERENCED BY OR THROUGH THE SERVICES ARE NOT INTENDED AS A RECOMMENDATION OR ENDORSEMENT OF ANY COURSE OF TREATMENT, THERAPY, PROCEDURE, INFORMATION, MEDICATION, PRODUCT OR OTHER INFORMATION. THE ULTIMATE RESPONSIBILITY FOR DIAGNOSING AND TREATING ANY PATIENT RESTS WITH THE PATIENT'S HEALTH CARE PROVIDER.

D. AdvancedMD shall not have any liability under the Agreement for any disclosure or modification of Client Data, or for any consequences that may arise from such modifications (including, but not limited to, incorrectly modified or lost data), in either case, made by means of access to the APIs by or on behalf of Client, or by means of access by any third party to the extent such third party obtained access to the APIs as a result of disclosure by Client of Office Keys, user IDs or passwords to such third party, any breach of this Agreement by Client, or any negligence by Client, its employees, agents or representatives.

E. **Limitation of Liability. In no event shall either party be liable under the Agreement for any indirect, incidental, special, consequential or punitive damages, or damages for business interruption, loss of profits, revenue, data or use, or cost of cover suffered by the other party or by any third party, whether in an action in contract or tort, and even if the party has been advised of or is aware of the possibility of such damages. AdvancedMD's total liability for direct damages suffered by Client or any of its affiliates under the Agreement or related to the Services shall in no event exceed an amount equal to three (3) times the average monthly fee paid by Client to AdvancedMD under the Agreement.**

F. This Section 6.4 sets forth the full extent of AdvancedMD's liability for damages resulting from this Agreement and the Services, regardless of the form in which such liability of claim for damages may be asserted. The provisions of the Agreement allocate the risks between AdvancedMD and Client. The parties agree that AdvancedMD's pricing and other terms and conditions of the Agreement reflect the allocation of risk and the limitation of liability specified herein, and Client acknowledges that without such limitation on liability and Client's agreement to maintain redundant copies of all data provided to AdvancedMD in connection with the Services, AdvancedMD would not have entered into this Agreement.

## 7. PAYMENT PROVISIONS

### 7.1 Fees, Invoicing and Payment; Suspension of Service.

A. Client shall pay the fees set forth on the Order Form(s) (or any Addendum, as the case may be) for the Services. If Client elects to use Connect, the fees set forth on the Order Form(s) (or Addendum) do not include any costs, fees, or charges that may be imposed by a third party with respect to Client's use of the External System.

B. Invoices for payment of all Services shall be in accordance with the applicable Order Form(s) agreed to by Client. In the absence of specific provisions in the applicable Order Form(s) agreed to by Client, (i) fees for one-time Services (e.g., set-up and Implementation Services) are due upon acceptance of any Order Form(s) and prior to delivery of the applicable Service, (ii) recurring fees (e.g., fees for Hosting Services) begin on the Effective Date, and shall be payable monthly in advance and due in full on the first day of each month, and (iii) fees that are variable and dependent on actual usage (e.g., per-transaction fees) shall be billed monthly in arrears and due upon receipt.

C. An administrative late charge of \$35.00 per invoice will be charged for any invoice not paid by the applicable due date (including any electronic transaction that is declined and any returned checks), and an additional \$35.00 shall be charged for each 30 days thereafter that such invoice remains unpaid. Additionally, any amounts payable by Client hereunder which remain unpaid after the due date shall be subject to a finance charge equal to the lesser of 1.5% per month or the maximum amount permitted under applicable law, from the due date until the date such amount is paid.

D. Without limiting the additional fees and charges that shall be payable by Client pursuant to Section 7.1C, if applicable, AdvancedMD shall have the right, exercisable in its sole and absolute discretion, to suspend Client's access to, and use of, the Hosted Programs, the Third Party Services and the Services, in the event that Client has not paid any amounts due hereunder by the time such payment is due.

E. Client shall have ninety (90) days from receipt of an invoice to dispute any portion of the invoice and any issue not raised by Client in writing within ninety (90) days from receipt of the invoice is hereby irrevocably waived by Client. To the extent AdvancedMD incurs any expenses in collecting (or seeking to collect) unpaid amounts due from Client under the Agreement (including, but not limited to, reasonable attorneys' fees), Client shall be liable for (and promptly reimburse AdvancedMD) for any such expenses.

F. Client's payment obligations hereunder with respect to the Services may (if authorized by Client) be made by direct withdrawal from Client's bank account. In the event Client has given such authorization, such withdrawal is subject to the operating rules of the National Automated Clearing House Association ("**NACHA**"). AdvancedMD and Client each agree to be bound by and comply with the NACHA rules applicable to it with respect to such withdrawals. Any authorization given by Client shall remain in effect unless and until revoked in writing by an authorized representative of Client and until Client's bank and AdvancedMD have each received such notice and have had reasonable time to act upon such notice.

7.2 Taxes. The fees listed in the Agreement (including the Order Form(s)) do not include taxes; there shall be added to all payments hereunder amounts equal to any applicable taxes levied or based on this Agreement, exclusive of taxes based on AdvancedMD's net income. If AdvancedMD is found to be responsible for the withholding and payment of taxes on behalf of Client, Client agrees to indemnify AdvancedMD with respect to the full amount of taxes due, together with applicable interest and penalties. If Client is required to withhold any tax from any payment, then the amount of the payment will be automatically increased

to completely offset such tax so that the amount remitted to AdvancedMD, net of all taxes, equals the amount invoiced or otherwise due.

7.3 Variable Use Service Fees. Variable use service fees are subject to external costs (such as postage rates, paper, etc.) and therefore are subject to change with 30-day written notice to Client.

## 8. GENERAL TERMS

### 8.1 Confidential Information

A. All Confidential Information disclosed hereunder will remain the exclusive and confidential property of the disclosing party. The receiving party will not disclose the Confidential Information of the disclosing party and will use at least the same degree of care, discretion and diligence in protecting the Confidential Information of the disclosing party as it uses with respect to its own confidential information, but in no case less than reasonable care; provided, however, that AdvancedMD may disclose Protected Health Information included within the Confidential Information in accordance with Exhibit A hereto. The receiving party will limit access to Confidential Information to its affiliates, employees and authorized representatives with a need to know and will instruct them to keep such information confidential. Notwithstanding the foregoing, the receiving party may disclose Confidential Information of the disclosing party (i) to the extent necessary to comply with any law, rule, regulation or ruling applicable to it, (ii) as appropriate, to respond to any summons or subpoena or in connection with any litigation, and (iii) to any vendor with which AdvancedMD has an API (if Client has elected to use such API).

B. Client acknowledges that AdvancedMD or its affiliates may use Confidential Information as permitted by applicable law to evaluate possible commercial arrangements between AdvancedMD and Client, and to communicate with Client from time to time regarding AdvancedMD's, its affiliates' or its recommended vendors' products and services that may improve the efficiency of Client's operations or otherwise benefit Client.

C. The obligations of set forth in this Section 8.1 shall not apply to any suggestions and feedback for product or service improvement, correction, or modification provided by Client in connection with any present or future AdvancedMD product or service, and, accordingly, neither AdvancedMD nor any of its clients or business partners shall have any obligation or liability to Client with respect to any use or disclosure of such information. In addition, subject to any limitations imposed by HIPAA, with Client's consent (which is hereby given), AdvancedMD may use internet/website analytics software tools and programs that collect, transmit, store, disclose and analyze certain information about the actual use of the Hosted Programs by Clients, Permitted Entities and/or Providers (such as, but not limited to, pages viewed, links clicked, help functions used and other workflow information); such information shall not be considered Confidential Information hereunder and may be used by AdvancedMD for the purpose of license administration, error resolution and product analysis and improvement.

8.2 Trademarks and Publicity. Except for linking to AdvancedMD web sites, Client may not use any AdvancedMD logo or trademark, whether or not such mark(s) are registered, without prior written approval from AdvancedMD. This includes use on printed materials of any kind as well as electronic mediums such as internet web pages or email. Furthermore, the use of the AdvancedMD name (or any derivative thereof) in Client's URL, Business Name, or the names of any add-on products or services Client may be offering independent of AdvancedMD is strictly prohibited. Additionally, using the AdvancedMD name in paid targeted keyword advertising campaigns on search engines is also prohibited. Client shall not use AdvancedMD's name, nor any adaptation or variation thereof, in any advertising, promotion or sales literature without AdvancedMD's prior written consent in each instance.

8.3 Governing Law and Dispute Resolution. The Agreement, and all matters arising out of or relating to the Agreement, shall be governed by the laws of the State of New York applicable to contracts made and wholly performed in such state. Any controversy or claim arising out of or relating to the Agreement, with the sole exception of Client invoice disputes which are governed by Section 7.1, or breach thereof, shall be submitted to the following procedure: (i) direct negotiation in a settlement conference to be scheduled as soon as possible after the dispute arises; (ii) if no resolution is reached within sixty (60) days of the settlement conference, the parties will submit the dispute to non-binding mediation in Salt Lake County, Utah under the mediation rules of the American Arbitration Association; and (iii) if no settlement is reached within sixty (60) days of the start of mediation, either party may seek legal redress in a forum of competent jurisdiction.

8.4 Notice. Client agrees to notify AdvancedMD of any changes to Client's business address, business contact, and support contact within ten (10) days of any change thereto. All notices required or permitted hereunder shall be given in writing or as specifically set forth in the applicable section of the Agreement. To expedite order processing, Client agrees that AdvancedMD may treat documents emailed or faxed by Client to AdvancedMD as original documents; nevertheless, either party may require the other to exchange original signed documents to evidence an order for Services.

8.5 U.S. Government. The Hosted Programs and accompanying documentation are commercial computer software and documentation developed exclusively at private expense and in all respects are proprietary data belonging to AdvancedMD. If the Hosted Programs and accompanying documentation are used under the terms of a DoD or civilian agency contract, the use, reproduction and disclosure of such software and documentation by the Government is subject to the restrictions set forth in the Agreement in accordance with 48 C.F.R. 227.7202 or 48 C.F.R. 12.212, respectively.

8.6 Non-solicitation. During the term of the Agreement and for six (6) months after any termination or expiration of the Agreement, neither party shall, alone or in association with others, solicit any employee or contractor of the other party (or

its subsidiaries) to terminate its employment or contracting relationship with the other party or its subsidiaries. Nothing herein shall preclude either party from hiring employees or contractors of the other party (or its subsidiaries) to the extent such employees or contractors respond, without any solicitation by or on behalf of the hiring party, to advertisements or job openings published or otherwise made generally available to the public by the hiring party.

8.7 Other terms.

A. The waiver by either party of any default or breach of the Agreement shall not constitute a waiver of any other, or subsequent, default or breach.

B. Except for actions for nonpayment or breach of AdvancedMD's proprietary rights in the Hosted Programs, no action, regardless of form, arising out of the Agreement may be brought by either party more than one year after the cause of action has accrued.

C. The Agreement constitutes the complete agreement between the parties and supersedes all prior or contemporaneous agreements or representations, written or oral, concerning the subject matter of the Agreement.

D. AdvancedMD may assign this Agreement or any rights or obligations under the Agreement to a third party. Client may not assign the Agreement or any rights or obligations hereunder without the prior written consent of AdvancedMD, which consent shall not be unreasonably withheld or delayed; any such assignment without the prior consent of AdvancedMD shall be void. AdvancedMD may use subcontractors to perform Services under this Agreement; provided, however, that such subcontracting shall not relieve AdvancedMD from responsibility for performance of its duties hereunder.

E. AdvancedMD has no obligation to any third party by virtue of this Agreement, including any patient of any Client or Permitted Entity. Providers of Third Party Services shall be third party beneficiaries to this Agreement with respect to the services provided to Client.

F. If any of the provisions of the Agreement shall be invalid or unenforceable, such invalidity or unenforceability shall not invalidate or render unenforceable the entire Agreement, but rather the parties hereto agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the fullest extent possible, the economic, business and other purposes of the Agreement.

G. Client acknowledges and agrees that calls to and from AdvancedMD may be monitored or recorded.

H. AdvancedMD may modify or amend the terms of the Agreement between the parties, including these Terms of Service, any incorporated Order Form(s) and the terms applicable to any Third Party Services (including the Terms of Use applicable thereto), upon written notice, e-mail or otherwise, to Client. Following any such notification, Client shall have the right for a period of thirty (30) days from receipt to inform AdvancedMD in writing that it does not accept the modification or amendment of the Agreement. If Client does not notify AdvancedMD in writing that it does not accept such modification or amendment within such thirty (30) day period, and continues to access and use the Hosted Programs and/or receive the Services, this shall be deemed agreement by the Client to the modification or amendment. If Client properly notifies AdvancedMD that it does not accept the new terms within the thirty (30) day period, then Client may continue to access and use the Hosted Programs and Third Party Services until the end of Client's then-current term, at which time the Agreement, and Client's access to and use of the Hosted Programs and its receipt of Services, shall terminate.

I. No Legal Advice. Client's use of the Hosted Programs, Third Party Services, or any Templates, forms or other documentation made available to Client in no way constitutes the provision of legal advice from AdvancedMD to Client.

J. Force Majeure. AdvancedMD is not liable under this Agreement for AdvancedMD's non-performance caused by acts of war, terrorism, hurricanes, earthquakes, other acts of God or nature, strikes or other labor disputes, riots, or other acts of civil disorder or any other events, conditions or causes beyond AdvancedMD's reasonable control.

K. Client expressly agrees not to contest the validity of any electronic signature because the signature is performed electronically.

## Exhibit A: Business Associate Agreement

### HIPAA Business Associate Agreement

(Updated for January 2013 Omnibus Final HIPAA Rule)

This Business Associate Agreement (“BA Agreement”) is between AdvancedMD, Inc., a Delaware corporation (“AdvancedMD” or “Business Associate”) and Client (“Covered Entity”), and forms part of the Agreement between AdvancedMD and Client relating to the provision of Services to Client by AdvancedMD.

WHEREAS, pursuant to the federal Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and the HITECH Act, the U.S. Department of Health and Human Services issued Standards for Privacy of Individually Identifiable Health Information (the “Privacy Rule”), Security Standards for the Protection of Electronic Protected Health Information (the “Security Rule”) and Breach Notification Standards for Unsecured Protected Health Information (the “Breach Notification Rule”) at 45 CFR parts 160 and 164;

WHEREAS, the Privacy Rule requires certain entities to have their Business Associates with whom the entities may share Protected Health Information (as such term is defined in the Privacy Rule) to agree to certain provisions related to the use and disclosure of such Protected Health Information (the “Business Associate Contract Provisions”); and

WHEREAS, the Security Rule and the Breach Notification Rule impose obligations on Covered Entities and their Business Associates that must be addressed in the Business Associate Contract Provisions.

Now therefore, the parties hereby agree as follows:

1. Definitions. Capitalized terms used, but not otherwise defined, in this BA Agreement shall have the same meaning as those terms in the Privacy Rule, the Security Rule and the Breach Notification Rule, and if no such definition is provided in such rules, then the meaning shall be that given to such capitalized term in the Terms of Service to which this BA Agreement is an Exhibit.

2. Obligations and Activities of AdvancedMD.

2.1. AdvancedMD agrees to not use or further disclose Protected Health Information received from or on behalf of Client or created for Client (collectively, “PHI”) other than as permitted or required by the Agreement or as Required By Law. AdvancedMD further agrees that, when using or disclosing PHI, it shall limit PHI, to the extent practicable, to a limited data set as defined in 45 CFR 164.514(e)(2) or, if a limited data set is not practicable, limit PHI to the minimum amount of PHI reasonably necessary to accomplish the intended purpose of such use or disclosure.

2.2. AdvancedMD agrees to use appropriate safeguards to prevent use or disclosure of the PHI other than as provided for by the Agreement and this BA Agreement, including implementing administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic PHI that it creates, receives, maintains, or transmits on behalf of Client. AdvancedMD further agrees to comply with the requirements of the Security Rule.

2.3. AdvancedMD agrees to mitigate, to the extent commercially practicable, any harmful effect that is known to AdvancedMD of a use or disclosure of PHI by AdvancedMD in violation of the requirements of the Agreement or this BA Agreement.

2.4. AdvancedMD agrees to report to Client any use or disclosure of PHI that is not provided for by the Agreement or this BA Agreement of which it becomes aware. AdvancedMD also agrees to notify Client of any Breach of Unsecured PHI in accordance with 45 C.F.R. 164.410; such notification shall be made in as expeditious a manner as possible and in no event later than 60 calendar days after discovery, as defined in 45 CFR 164.410 (a)(2) and shall comply with the requirements of the Breach Notification Rule. AdvancedMD shall also, without unreasonable delay, but in no event later than five business days after becoming aware of any Security Incident that is not an Unsuccessful Security Incident (as defined herein), report the successful Security Incident to Covered Entity. Covered Entity acknowledges that AdvancedMD experiences Unsuccessful Security Incidents from time-to-time. Covered Entity acknowledges receipt of this report of Unsuccessful Security Incidents. “Unsuccessful Security Incident” means an immaterial Security Incident that does not involve an unauthorized use or disclosure of Unsecured Protected Health Information.

2.5. Client acknowledges that AdvancedMD may use Subcontractors. AdvancedMD agrees to ensure that any Subcontractor to whom it provides PHI received from, or created or received by AdvancedMD on behalf of, Client agrees to substantially the same restrictions and conditions that apply through this BA Agreement to AdvancedMD with respect to such information.

2.6. AdvancedMD agrees to provide access, at the request of Client, to PHI in a Designated Record Set to Client in order to meet the requirements under 45 CFR 164.524, by making the Hosted Programs available to Client under the Agreement.

2.7. AdvancedMD agrees to make any amendment(s) to PHI in a Designated Record Set that the Client directs or agrees to pursuant to 45 CFR 164.526 by making the Hosted Programs available to Client under the Agreement.

2.8. AdvancedMD agrees to make internal practices, books, and records, including policies and procedures and PHI, relating to the use and disclosure of PHI received from, or created or received by AdvancedMD on behalf of, Client available to the Secretary, in a time and manner designated by the Client or the Secretary and not materially disruptive of AdvancedMD's operations or business, for the purposes of the Secretary determining Client's or AdvancedMD's compliance with the Privacy Rule. The AdvancedMD business unit providing the Services shall reasonably cooperate with Client and Secretary in responding to the Secretary's requests. All information provided by AdvancedMD pursuant to this provision shall remain "Confidential Information" under the Agreement and subject to the restrictions on disclosure of such information as set forth therein.

2.9. AdvancedMD agrees to document such disclosures of PHI and information related to such disclosures as would be required for Client to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 CFR 164.528 and the regulations adopted pursuant to 42 USC 17935(c), and to reasonably cooperate with Client in responding to such requests.

2.10. AdvancedMD agrees to provide to Client or, at Client's direction, to an Individual, in time and manner designated by Client and not materially disruptive of AdvancedMD's operations or business, information collected in accordance with Section 2.9 of this BA Agreement, to permit Client to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 CFR 164.528 and any regulations adopted pursuant to 42 USC 17935(c). All information provided by AdvancedMD pursuant to this provision shall remain "Confidential Information" under the Agreement and subject to the restrictions on disclosure of such information as set forth therein.

2.11. To the extent AdvancedMD carries out any of Client's obligations under the Privacy Rule, AdvancedMD shall comply with the requirements of the Privacy Rule that apply to Client in the performance of such obligations, provided that Client advises AdvancedMD of such obligations which are not included in the Services under the Agreement and agrees to a fee for AdvancedMD's performance of such obligations in accordance with Section 2.12.

2.12. If, in the performance of its obligations set forth in Sections 2.8 through 2.11 (inclusive), and Sections 5.1 through 5.3 (inclusive), AdvancedMD expends time and materials in addition to the Services to be provided by AdvancedMD pursuant to the Agreement, AdvancedMD shall provide Client with an estimate of the fees for such time and materials. Upon the mutual agreement by Client and AdvancedMD as to the fees to be charged by AdvancedMD for such time and materials, AdvancedMD shall invoice Client on a time and materials basis at the agreed-upon rate(s), and Client shall pay AdvancedMD all such fees in accordance with the payment terms of the Agreement.

### 3. Permitted Uses and Disclosures by AdvancedMD.

Except as otherwise limited in this BA Agreement, AdvancedMD may use or disclose PHI to perform functions, activities, or services for, or on behalf of, Client as specified in the Agreement, provided that such use or disclosure would not violate the Privacy Rule if done by Client or the minimum necessary policies and procedures of the Client of which AdvancedMD has been informed.

### 4. Specific Use and Disclosure Provisions.

4.1. Except as otherwise limited in this BA Agreement, AdvancedMD may use PHI for the proper management and administration of AdvancedMD or to carry out the legal responsibilities of AdvancedMD.

4.2. Except as otherwise limited in this BA Agreement, AdvancedMD may disclose PHI for the proper management and administration of AdvancedMD, provided that disclosures are Required by Law, or AdvancedMD obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies AdvancedMD of any instances of which it is aware in which the confidentiality of the information has been breached.

4.3. Except as otherwise limited in this BA Agreement, AdvancedMD may use and disclose PHI to provide Data Aggregation services to Client and other Covered Entities as permitted by 42 CFR 164.504(e)(2)(i)(B).

4.4. AdvancedMD may use PHI to create de-identified health information in accordance with the Privacy Rule's de-identification standards and use and disclose the de-identified health information for commercial purposes and any other purposes not prohibited by law. Client agrees that AdvancedMD shall be the exclusive owner of any de-identified health information.

### 5. Obligations of Client.

5.1. Client shall provide AdvancedMD with any limitations in its notice of privacy practices of Client in accordance with 45 CFR 164.520, to the extent that such limitation may affect AdvancedMD's use or disclosure of PHI.

5.2. Client shall provide AdvancedMD with any changes in, or revocation of, permission by Individual to use or disclose PHI, to the extent that such changes may affect AdvancedMD's use or disclosure of PHI.

5.3. Client shall notify AdvancedMD in writing of any restriction to the use or disclosure of PHI that Client has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect AdvancedMD's use or disclosure of PHI.

5.4. Client shall not request AdvancedMD to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by Client.

6. Term and Termination.

6.1. *Term.* The Term of this BA Agreement shall be effective as of the Activation Date contemplated by the Terms of Service to which this BA Agreement is an Exhibit, and shall terminate when all of the PHI provided by Client to AdvancedMD, or created or received by AdvancedMD on behalf of Client, is destroyed or returned to Client, or, if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.

6.2. *Termination For Cause.* In addition to any termination rights set forth in the Agreement, in the event of a material breach of this BA Agreement, the other party shall either: (i) provide the breaching party with an opportunity to cure the breach or end the violation, and terminate the Agreement (including this BA Agreement) if the breaching party does not cure the breach or end the violation within sixty (60) days, or (ii) immediately terminate the Agreement (and this BA Agreement) if cure is not possible.

6.3. *Termination upon Issuance of Guidance or Change In Law.* If the Secretary provides additional guidance, clarification or interpretation on the Privacy Rule, or there is a change or supplement to the HIPAA statutes or regulations (both referred to as a "HIPAA Change"), such that a party hereto determines that the service relationship between AdvancedMD and Client is no longer a Business Associate relationship as defined in HIPAA, such party shall provide written notice to the other party of the HIPAA Change, and upon mutual agreement of the parties that the HIPAA Change renders this BA Agreement unnecessary, this BA Agreement shall terminate and be null and void.

6.4. *Effect of Termination.*

A. Except as provided in paragraph (B) of this subsection, upon termination of this BA Agreement, for any reason, AdvancedMD shall return or destroy all PHI received from Client, or created or received by AdvancedMD on behalf of Client. This provision shall apply to PHI that is in the possession of Subcontractors of AdvancedMD. Except as provided in paragraph (B) below, AdvancedMD shall retain no copies of the PHI.

B. In the event that AdvancedMD determines that returning or destroying the PHI is infeasible, AdvancedMD shall provide to Client notification of the conditions that make return or destruction infeasible. In such event, AdvancedMD shall extend the protections of this BA Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as AdvancedMD maintains such PHI.

7. Miscellaneous.

7.1. *Client Rights and Remedies Upon Breach By AdvancedMD.* In the event AdvancedMD fails to perform its obligations hereunder or otherwise breaches this BA Agreement, Client may exercise all rights and remedies available to it under the Agreement, subject to applicable limitations of liability set forth in the Agreement or such other conditions as may apply to Client rights or remedies.

7.2. *Amendment.* The parties agree to take such action as is necessary to amend the Agreement from time to time as is necessary for Client and AdvancedMD to comply with the Privacy Rule and/or HIPAA. If, following good faith negotiations that shall not exceed ninety (90) calendar days from the date of the request for negotiations, the parties are unable to agree on the modifications to the terms of the Agreement that may be necessary or appropriate in order for Client to comply with the Privacy Rule and/or HIPAA, either party shall have the right to terminate the Agreement without cause as of a date specified in a notice of termination, such date to be no less than thirty days following the effective date of such notice.

7.3. *Survival.* The respective rights and obligations of AdvancedMD under Section 6.4 of this BA Agreement shall survive the termination of the Agreement.

7.4. *Interpretation.* Any ambiguity in this BA Agreement shall be resolved in favor of a meaning that permits Client and AdvancedMD to comply with the Privacy Rule, Security Rule and Breach Notification Rule.

7.5. *Regulatory References.* A reference in this BA Agreement to a section in the Privacy Rule, Security Rule or Breach Notification Rule, as applicable means the section as in effect or as amended.

In the event of any conflict between the terms and conditions of this BA Agreement and the terms and conditions of the other provisions of the Agreement, this BA Agreement shall prevail.

## Exhibit B: CPT Addendum

This American Medical Association (“AMA”) CPT ADDENDUM, by and between AdvancedMD and Client, applies to use of any Hosted Programs that include access to the master database of the AMA CPT Codes in electronic form (“CPT”) and is required by the AMA. Capitalized terms used but not defined in this Exhibit B shall have the meaning ascribed to such terms in the Agreement.

Client hereby acknowledges and agrees that:

1. AdvancedMD’s provision of updated versions of CPT depends upon the AMA continuing to permit AdvancedMD to distribute such content;
2. Client’s use of CPT is nontransferable, nonexclusive, and for the sole purpose of internal use in the territory and language as designated in the Agreement (and if no territory or language is designated, then the territory shall be the United States of America and the language shall be English);
3. Client is prohibited from using CPT or information contained therein in any public computer based information system or public electronic bulletin board (including the Internet and World Wide Web);
4. Client is prohibited from publishing, translating, or transferring possession of CPT or any copy or portion thereof;
5. Client is prohibited from creating derivative works based on CPT, or selling, leasing or licensing it or otherwise making CPT or any portion thereof available to any unauthorized party;

8.3 ADVANCEDMD IS NOT IN ANY WAY ENGAGED IN THE PRACTICE OF MEDICINE OR ACTING AS A PHYSICIAN OR OTHER HEALTH CARE PROFESSIONAL OR PROVIDER. ANY TREATMENT, THERAPY, PROCEDURE, INFORMATION, MEDICATION, PRODUCT OR OTHER INFORMATION REFERENCED BY OR THROUGH SERVICES ARE NOT INTENDED AS A RECOMMENDATION OR ENDORSEMENT OF ANY COURSE OF TREATMENT, THERAPY, PROCEDURE, INFORMATION, MEDICATION, PRODUCT OR OTHER INFORMATION. THE ULTIMATE RESPONSIBILITY FOR DIAGNOSING AND TREATING ANY PATIENT RESTS WITH THE PATIENT'S HEALTH CARE PROVIDER.

## EXHIBIT E: Terms and Conditions Applicable to Third Party Services

The terms and conditions set forth in this Exhibit E apply to use by Client of various Third Party Services constituting part of the Hosted Programs and are required by the third parties that provide such services. Capitalized terms used but not defined in these terms and conditions shall have the meaning ascribed to such terms in the Agreement.

1.1 **Electronic Services.** If Client uses the Electronic Services, Client acknowledges and agrees that Electronic Services are generally available approximately 4 to 8 weeks after Client has properly completed and returned to AdvancedMD all applicable implementation forms related to Client's use of Electronic Services.

1.2 **First Data Bank Services.** If Client uses the First Data Bank Services:

A. Client hereby covenants and agrees to indemnify and hold First Databank, Inc. ("FDB") harmless from and against any liability, loss, injury or expense (including reasonable attorneys' fees and court costs) imposed upon, incurred or suffered by FDB relating to or arising out of any allegation or claim that the use of the medical, pharmaceutical and nutritional information originally provided by FDB and made available to Client through its use of the Hosted Programs (including any user manuals), or any information contained therein, caused or contributed to the personal injury or death of an individual; provided, however, that this indemnity shall not apply in the case of FDB's gross negligence or willful misconduct. FDB is an intended third party beneficiary of this Section 1.2A of this Exhibit E. This Section 1.2A will survive any termination of the Agreement with AdvancedMD.

B. Client hereby acknowledges and agrees that AdvancedMD's electronic health record application utilizes information provided by FDB. FDB takes actions designed to ensure that the information provided by FDB is accurate, up-to-date, and complete, but no guarantee is made to that effect. FDB's product is designed to supplement, and not a substitute for, the expertise, skill, knowledge and judgment of healthcare practitioners. FDB's drug information does not endorse drugs, diagnose patients or recommend therapy. The absence of a warning for a given drug or drug combination in no way should be construed to indicate that the drug or drug combination is safe, effective or appropriate for any given patient. The information contained therein is not intended to cover all possible uses, directions, precautions, warnings, drug interactions, allergic reactions, or adverse effects. In addition, the drug information contained therein may be time sensitive. FDB information is compiled for use by healthcare practitioners in the United States. Neither AdvancedMD nor FDB warrants that uses outside of the United States are appropriate. Client acknowledges that the professional duty to the patient in providing healthcare services lies solely with the healthcare professional providing patient care services. Client and healthcare practitioners should use their professional judgment in using the information provided. Neither AdvancedMD nor FDB assumes any responsibility for actions of Client which may result in any liability or damages due to the malpractice, failure to warn, negligence or any other basis.

1.3 **Surescripts Services.** If Client uses the Surescripts Services, Client hereby acknowledges and agrees that:

A. Access to and Use. Client shall ensure that (i) only persons that qualify as Prescriber End Users hereunder access and use the Surescripts through the AdvancedMD e-Prescribing solution, and (ii) all Prescriber End Users are registered with AdvancedMD.

B. Surescripts Information. Client agrees that it shall keep confidential any data or information relating to Surescripts, or its services or operations, of which it becomes aware in connection with the use of the Hosted Programs.

C. Adherence to Applicable Law and Commercial Messaging Rules.

i. Client shall comply with all Applicable Law and Client shall ensure that each Prescriber End User shall obtain all necessary patient consents and authorizations prior to requesting medication history for such patient.

ii. Client shall not, and shall ensure that its Prescriber End Users do not, use any means, program, or device, or permit any other person to use any means, program, or device, including, but not limited to, advertising, instant messaging, and pop-up ads, to influence or attempt to influence, through economic incentives or otherwise, the Prescribing Decision of a prescriber at the Point of Care if: (i) such means, program, or device (as described above) is triggered by, initiated by, or is in specific response to, the input, selection, and/or act of a prescriber or his/her agent prescribing a pharmaceutical or selecting a pharmacy for a patient; and (ii) that prescription shall be delivered via the Surescripts network. Notwithstanding the above Client may: (A) show information regarding a payer's formulary and benefit plan design, including patient lowest cost options, on/off tier, prior authorization, step therapy, coverage status, and co-pay information; and/or (B) deliver or have delivered to Prescriber End Users clinical alerts that are sourced from payers and/or are attributed to generally recognized and reputable sources providing clinical information to the prescriber, even if, in the event of either (A) or (B), such information influences the patient or prescriber's choice of pharmacy or other prescribing decisions. Any custom lists created and maintained by Prescriber End Users within the Hosted Programs, including but not limited to: (i) an individual Prescriber End User's most often prescribed medication list; (ii) an individual Prescriber End User's most often used pharmacy list; and/or (iii) an individual Prescriber End User's most often used SIGs (*i.e.*, instructions for the use of medications), would not be considered a violation of this section.

D. Surescripts Policies. In the event that Surescripts or any Data Source issues privacy and patient consent policies related to the delivery of Private Information, Client shall ensure that Prescriber End Users promptly comply with such policies.

E. Surescripts Disclaimers.

i. *Availability of Data Sources*. No representation or warranty is made regarding the availability of any particular Data Source or other Participant in the Surescripts network. At any time, Data Sources or other Participants in the Surescripts network may be added to or deleted from the Surescripts network or may limit access to their data, such changes may occur without prior notice.

ii. *Limitations of the Surescripts network*. Surescripts uses available technology to match patient identities. Because patient information is maintained in multiple places, not all of which are accessible to Surescripts, and because not all patient information is kept in a standard fashion or is regularly updated, it is possible that false matches may occur or that there may be errors or omissions in the prescription benefit and/or medication history information provided. Therefore, it is the responsibility of any treating physician or other health care provider or facility (not the responsibility of Surescripts or AdvancedMD) to verify prescription benefit or medication history information through other means with each patient and/or the patient's representatives before such information is relied upon or utilized in diagnosing or treating the patient. Surescripts is not a health plan, health care provider or prescriber. Surescripts does not and cannot independently verify or review the information transmitted through the Surescripts network for accuracy or completeness. Pursuant to the foregoing, Client acknowledges that the prescription benefit and medication history information provided hereunder is not complete or accurate, and that neither Surescripts nor any Data Source provides any representations or warranties with respect to the accuracy or completeness of the prescription benefit or medication history information, and Client releases and hold harmless, Surescripts and any person or entity providing prescription benefit or medication history information from any liability, cause of action, or claim related to the completeness or lack thereof of the prescription benefit or medication history information. In addition, Client and each Prescriber End User shall confirm the accuracy of the prescription benefit and medication history information with his/her/its patient prior to providing any medical services based thereon, and that the Client and each Prescriber End User shall use his/her/it professional judgment in the provision of care.

iii. *No Substitution for Written Prescription or Documentation*. The Surescripts network is not intended to serve as a replacement for: (i) a written prescription where not approved as such by the appropriate Governmental authorities or where such written prescription is required for record keeping purposes; or (ii) applicable prescription documentation. Use of the Surescripts network is not a substitute for a health care provider's standard practice or professional judgment. Any decision with regard to the appropriateness of treatment, or the validity or reliability of information, is the sole responsibility of a patient's health care provider.

F. Surescripts Data Sources. Client acknowledges that any Data Source, in its sole discretion, may elect not to receive prescriptions and other messages from Client and/or any Prescriber End User.

G. Audit by Surescripts. Client acknowledges and agrees that Surescripts may access, inspect, and audit any information in the Hosted Programs relating to Client's use of the Surescripts network and/or Surescripts Data.

H. Use of Data by Surescripts. Subject to compliance with all Applicable Law (including without limitation all laws regarding the protection of protected health information (as defined under HIPAA), Surescripts shall be entitled to use and disclose information received from Client and Prescriber End Users for the purpose of Surescripts' business.

I. Clinical Operability Services. In the event Client uses the clinical operability services provided by Surescripts as part of the Hosted Programs, Client shall obtain any and all necessary patient consents and authorizations required by Applicable Law.
